5.0	BUSINESS ARISING FROM MINUTES	
	West Interlake Watershed Conservation District received notification from RM of St. Laurent that their ratepayer representative submitted his resignation on April 4, 2014. This representative was elected as a second Vice Chairperson of the Lake Francis Sub District. As a result, the Lake Francis Sub District must hold a Re-Election immediately after All Member Meeting. (Result is attached)	
6.0	PROGRAMMING FOR 2014-2015	
	L. Miller presented proposed Budget 2014-2015. Dog Lake Sub District Member suggested researching the possibilities of installation of fish screens at different locations, to prevent particular fish species from entering Dog Lake. Lake Francis Sub District member suggested that West Interlake Watershed Conservation District consider initiating project in Lake Francis Sub District which will improve quality of water and fish habitat in the future in Wagon Creek Drain. Potentially this project would require the installation of culvert and relocation of existing crossing. Members raised questions pertaining to the potential project at Burnt Lake (installation of fish ladder). Concerns are if there is sufficient level of oxygen in wintertime for fish to survive.
