Explain Project Details

Terms and Conditions

Eligibility

- **All projects must be approved by the WIWCD prior to construction and/or installation.**
- Land must be within the West Interlake Watershed Conservation District (WIWCD)
- New site must be at least a ¼ mile from main well used for human consumption.
- The WIWCD will pay 75% of the cost of the project to a maximum of \$ 5,000.00 (Five Thousand Dollars)
- The cheque will be issued to applicant after the project is completed and inspected by WIWCD representative.
- One application per landowner per year, dependant on Board approval

Roles and Responsibilities

The Applicant Shall:

1. Design and build the project in cooperation with District staff
2. Be responsible for required maintenance following the completion of the project and agree to leave the project in place for a minimum of ten (10) years. After ten years, all materials purchased and/or installed will become the property of the landowner
3. Grant consent of entry to the District, its agents, servants, and/or employees with the necessary equipment for inspection, advertisement of the project and the right to publish the applicant's name.
4. Not alter, remove, or modify the project without written consent of the District
5. Indemnify and save harmless the WIWCD, their agents, engineers, servants, and/or employees from any liability which may result from this project

The WIWCD Shall:

1. Provide technical advice, funding and project supervision

General Information

The annual projects resulting from this program are subject to available annual funding. The WIWCD will determine application priorities in consultation with Sub District members and District staff. **All projects must be approved by the WIWCD prior to construction and/or installation.** The WIWCD reserves the rights to adjust support level based on available annual funding.

I hereby declare that I have read and understand the Terms and Conditions of the Winter Off-Site Watering System Program and agree to abide to the said Terms and Conditions if my application is approved and cooperate with the WIWCD in completing and maintaining the project as outlined.
